Information sheet for suppliers **How to license a logo of Deutsche Bahn AG**

As far as you as a supplier of Deutsche Bahn AG or of one of its subsidiaries (in the following DB AG) are interest in using one of the logos of DB AG for purposes of reference, on this page you will find a short overview of the possibilities and requirements:

Property right

According to the company unit you supply you have the opportunity to use the Corporate Logo or the relevant logo of the department you supply for purposes of reference.

Corporate Logo

Department Logo

BAHN

NETZE

SCHENKER

Scope of use

The scope of use of the chosen logo will be arranged between the supplier and the Brandmanagement-Team (GMM 2) at DB AG. Generally the use as reference in print- and online-media is comprised. The exact scope of use will be determined with the release certificate. To extend the scope of use the release certificate has to be adapted and renewed.

Licence fee

The usual licence fee for using one of our logos for purposes of reference amounts EUR 150,00.

Q1-supplier can use the logos free of charge by providing proof.

Term of contract

The licence agreement will be concluded for the period of one year.

If needed, the agreement can be renewed by paying the licence fee again.

Necessary information for the licence agreement

For a short-term conclusion of the agreement we need the following information:

Your contact person at DB AG, the wanted logo and a detailed explanation of how you wish to use the logo.

Your questions regarding the licencing of one of our logos or any other intellectual property right, as the right on the design of the ICE-train, we are pleased to answer at **marke@deutschebahn.com**

Your Brandmanagement-Team of DB Mobility Logistics AG
